### **Reasons For Allowance**

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 5, Prior Art fails to explicitly disclose a storage means including at least a first protocol stack and a second protocol stack having plurality of protocols and the controlling means for setting a relation of connection to the external communication network via the radiocommunication network and the communication device based on the communication setting information and the protocol stacks stored in the storage means for controlling the first radiocommunication and the second radiocommunication means for transferring data in combination with other limitations set forth in the respective claim.

Regarding claims 7 and 11, Prior Art fails to explicitly disclose of setting a relation of connection with the external communication network via the communication device by using internally stored communication information on the external communication network and protocol stacks having a first and second protocol stack with protocols and using the relation of connection for controlling the data transfer in combination with other limitations set forth in the respective claim.

### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
